(Please print parent/guardian name)

Department employee(s) trained in the administration of an epinephrine auto-injector to
administer the medication prescribed for my child, _____, for
anaphylaxis. (Please print child's name)

I have provided the City of Clifton, Recreation Department with written orders from the
physician that my child requires the administration of epinephrine for anaphylaxis and does not
have the capability for self-administration of the medication, as well as the written instructions
from the manufacturer on the use and care of the specific epinephrine auto-injector prescribed for
my child.

I understand that I must send my child with his/her prescribed medication to the summer
program each day that he/she attends. The medication must be packaged according to the
manufacturer's instructions and labeled clearly with my child's name.

I, _____, understand that if procedures as specified by the
